## Chapter 1 by Mac\_Da\_Yak

I was sitting in my room at night doing random crap. I was on my phone and then, all of a sudden, I heard an explosion rip through the neighborhood. My room went completely dark and all my electronics shut down. "Huh," I said. "I don't remember my phone being at low charge." So I went around my house and everything, plugged in or not, was dead. My car was dead, the phones were dead, even my computer, which had a full charge, was dead. I frantically ran outside, running to the source of the explosion. It was the power station. It was up in flames. All the cars on the road had stopped and everyone was trying to restart their cars. All computers and technology were down.

## Chapter 2 by puppies4life

I ran back inside and suddenly my TV turned on.

I yelled upstairs,"MOM ALL THE POWERS OUT AND THE TV TURNED ON!"

She ran downstairs and looked at the TV.

Suddenly, a man in a mask popped up on the TV.

"Everyone in the world is getting this message right now. I know you are all confused why all the power stations have been destroyed and why all your devices and all that are dead. I am Silas, a

This is crazy!!!

The channel changed back to normal.

We started flipping through channels and all the news stations were going crazy asking if it was a hoax, if it wasn't should we use the military to fight back.

Oh my god!!!!

This is real!!

This could be our last day on earth.

The military would take care of this like usual and then we'd all just continue on with our lives saying, "Remember when those aliens tried to invade earth?" and then we'd say, "Oh ya that was crazy, the military knocked them out good!"

And then we'd laugh and continue on with our lives.

Right!?!?

Or would we live the rest of our lives as slaves to some weird aliens?!?!
